

UC Lead Campus (UCLA/UCSB) Nanotoxicology Research and Training Program
Calendar for 2008-2009 as of 5/9/08

FALL QUARTER 2008-2009 (begins Monday, September 22nd)

September 2008

Principles of Nanobiological Interactions and Nanobiology (ENV HLT 280, Nanotoxicology Program Capstone Course), Professor Curtis Eckhert, Course Chairman, instruction begins September 25th - REQUIRED

October 2008

Principles of Nanobiological Interactions and Nanobiology (ENV HLT 280, Nanotoxicology Program Capstone Course) - REQUIRED

NanoToxicology Research and Training Program Orientation Meeting for 2008-2009 Trainees, Mentors, and Executive Committee - REQUIRED

NanoToxicology Research Program 2008-2009 Awardees begin laboratory research

NanoToxicology/MolecularToxicology Monthly Seminar (M411), Thursdays, 12-1 PM, CNSI – REQUIRED
Luncheon (provided) for Guest Speaker and Nanotox Trainees, Thursdays, 1-2 PM after the lecture, CNSI - REQUIRED

November

Principles of Nanobiological Interactions and Nanobiology (ENV HLT 280, Nanotoxicology Program Capstone Course) - REQUIRED

NanoToxicology/MolecularToxicology Monthly Seminar (M411), Thursdays, 12-1 PM, CNSI – REQUIRED
Luncheon (provided) for Guest Speaker and Nanotox Trainees, Thursdays, 1-2 PM after the lecture, CNSI - REQUIRED

December

Principles of Nanobiological Interactions and Nanobiology (ENV HLT 280, Nanotoxicology Program capstone course) - REQUIRED

NanoToxicology/MolecularToxicology Monthly Seminar (M411), Thursdays, 12-1 PM, CNSI – REQUIRED
Luncheon (provided) for Guest Speaker and Nanotox Trainees, Thursdays, 1-2 PM after the lecture, CNSI - REQUIRED

Quarter ends Friday, December 12th

WINTER QUARTER 2009 (begins Monday, January 5th)

January

NanoToxicology/MolecularToxicology Monthly Seminar (M411), Thursday, 12-1 PM, Guest Speaker: – REQUIRED Luncheon (provided) for Speaker and Nanotox Trainees, Thursday, CNSI, 1-2 PM following the lecture- REQUIRED

February

NanoToxicology/MolecularToxicology Monthly Seminar (M411), Thursday, 12-1 PM, Guest Speaker: – REQUIRED Luncheon (provided) for Speaker and Nanotox Trainees, Thursday, CNSI, 1-2 PM following the lecture - REQUIRED

March

NanoToxicology/MolecularToxicology Monthly Seminar (M411), Thursday, 12-1 PM, Guest Speaker: – REQUIRED Luncheon (provided) for Speaker and Nanotox Trainees, Thursday, CNSI, 1-2 PM following the lecture - REQUIRED

Winter Quarter ends Friday, March 20

SPRING QUARTER 2009 (begins Monday, March 30th)

April

Fundamentals of Molecular Toxicology (ENV HLT 240), Professor J. Fukuto – REQUIRED

Annual TSR&TP Research Symposium, Frday and Saturday, presentation of posters by all trainees - REQUIRED

NanoToxicology/MolecularToxicology Monthly Seminar (M411), Thursday, 12-1 PM, Guest Speaker: – REQUIRED Luncheon (provided) for Speaker and Nanotox Trainees, Thursday, CNSI, 1-2 PM following the lecture - REQUIRED

May

Fundamentals of Molecular Toxicology (ENV HLT 240), Professor J. Fukuto - REQUIRED

Solicitation for 2009-2010 UC Lead Campus NanoToxicology Research and Training Program Applications

June

Fundamentals of Molecular Toxicology (ENV HLT 240), Professor J. Fukuto – REQUIRED

NanoToxicology/MolecularToxicology Monthly Seminar (M411), Thursday, 12-1 PM – Guest Speaker – REQUIRED Luncheon (provided) for Speaker and Nanotox Trainees, Thursday, CNSI, 1-2 PM following the lecture- REQUIRED

Spring Quarter ends Friday, June 12th

SUMMER 2009

July

Deadline of July 1st for receipt of applications for 2009-2010 Traineeships in the UC Lead Campus NanoToxicology Research and Training Program

August

UC Lead Campus NanoToxicology Research and Training Program Selection Committee Meeting for 2009-2010 Trainees

UC Lead Campus NanoToxicology Research and Training Program Trainee Awards for 2009-2010 announced
